NEW Program of 9th CitizED International Conference in Tokyo, Japan 2013

The subject of the Conference
"East and West in Citizenship Education: Encounters in Education for Diversity and Democracy"

Of the many different approaches and viewpoints about citizenship education across the world it is increasingly obvious that it is vital to understand perspectives from both the ‘East’ and ‘West’. Tokyo is an exciting Far East mega-city which is at the heart of attempts to develop greater academic understanding and professional insights about citizenship education. This conference will provide the perfect opportunity to explore new perspectives arising from the encounters between ‘East’ and ‘West’ in citizenship education.

Of many hotels in Tokyo, the hotels around Shinagawa and Tamachi Station are convenient to go to the CIC. Please make a reservation by yourself. Our recommendation is Hotel Gracery Tamachi (http://gracery.com/english/tamachi/), closest to CIC Tokyo, 8 minutes on foot. The cost of a room is about 10,000 Japanese Yen per night including breakfast.
